

PINK PADDLE POWER FESTIVAL

DRAGONS ABREAST HOBART

Friday October 25 - Sunday October 27, 2024

DA Hobart are excited to host you for a weekend of fun, celebrating dragon boat paddling for breast cancer survivors.

We start the weekend of festivities with a Meet and Greet in Lindisfarne on Friday evening.

Our regatta takes place on Saturday at New Norfolk, on the River Derwent, 40 minutes from Hobart. There will be crews of 10s and 20s for both BCS and Supporter racing.

Following the regatta on Saturday join us on Hobart's iconic waterfront for a night of celebrations, dinner and dancing.

The regatta finishes on Sunday with a fun day of racing and social paddle before you head off to enjoy the rest of Tasmania

Who can attend? All breast cancer survivors or 'thrivers' paddlers and their supporter paddlers are encouraged to participate. Individual members can join a composite DAA crew so there's a seat for everyone.
